Xavi Masip, xmasip@ac.upc.edu, +34 93 896 7280 Technical University of Catalonia is pleased to invite you to the Fourth IntelliCIS Workshop. The meeting will take place at the Engineering School (EPSEVG) at the UPC Campus in Vilanova i la Geltrú.

HOW TO GET TO VILANOVA:

Vilanova i la Geltrú is the capital of El Garraf, a region which lies half-way between the main metropolitan areas of Barcelona (40 kms to the North), and Tarragona (45 kms to the South), and covers a total area of 33.5 km². Its population is around 61.000 inhabitants. It belongs to the province of Barcelona and is only 20 minutes from Prat International Airport (Barcelona). It has a modern rail and road network linked by the motorways C-32 (A-16), and E-15 (A-7) and the C-31 (C-246) road from Vendrell and the C-15 (C-244) from Vilafranca del Penedès.

In the map above you can get an idea about the exact location of Vilanova. The city can be reached from the airport by either:

- By taxi: it takes 25-30 minutes to reach Vilanova from the airport (via the highway) and the cost is around 50€

- By public transport: There are two means of public transport to Vilanova from Barcelona Airport. They are the MonBus and the RENFE train (*includes a change of train at Barcelona Sants rail station*). Bus stop and railway terminal are shown in the map above.

- Finally you can also rent a car and drive in south direction to Vilanova by the C31 or the C32 (toll highway 5,20€)

HOW TO GET TO THE ENGINEERING SCHOOL (EPSEVG):

Vilanova is not a big city so distances are not so big (everything you would like to get is within walking distance).

The EPSEVG is located just in front of the railway and the bus stop. There are many buildings composing the UPC Campus in Vilanova. You should go to building 1 (named VG1, as shown in figure below) and follow the indications.

The EPSEVG can be easily reached from the recommended hotels. Hotel Gatell is located in front of the UPC. Other hotels are located on the coast side. Walking the *Passeig Marítim* and the *Rambla de la Pau* (no more than 10 minutes) would be an excellent way to reach the EPSEVG.

Once in the EPSEVG the meeting rooms are the following:

 MC meeting room: AA201 located on the second floor of the main building.
 Breakout rooms: Sala d' Actes and Sala Master
